

**Dark Tales Critique Service**

I would like critique(s) and/or proof edit(s) for the following stories:

(Fill in and tick as appropriate – continue on a separate sheet if necessary)

**Ten-point critique only – stories of up to 8000 words:**

| Story title | Up to 5000 words (£5) | 5001-6000 words (£7.50) | 6001-7000 words (£10) | 7001-8000 words (£12.50) |
|-------------|-----------------------|-------------------------|-----------------------|--------------------------|
|             |                       |                         |                       |                          |
|             |                       |                         |                       |                          |
|             |                       |                         |                       |                          |
|             |                       |                         |                       |                          |

**Ten-point critique only – stories of up to 12000 words:**

| Story title | 8001-9000 words (£15) | 9001-10000 words (£17.50) | 10001-11000 words (£20) | 11001-12000 words (£22.50) |
|-------------|-----------------------|---------------------------|-------------------------|----------------------------|
|             |                       |                           |                         |                            |
|             |                       |                           |                         |                            |
|             |                       |                           |                         |                            |
|             |                       |                           |                         |                            |

**Ten-point critique and proof edit – stories of up to 6000 words:**

| Story title | Up to 3000 words (£12) | 3001-4000 words (£15.00) | 4001-5000 words (£17.50) | 5001-6000 words (£20) |
|-------------|------------------------|--------------------------|--------------------------|-----------------------|
|             |                        |                          |                          |                       |
|             |                        |                          |                          |                       |
|             |                        |                          |                          |                       |
|             |                        |                          |                          |                       |

**Ten-point critique and proof edit – stories of up to 12000 words:**

| Story title | 6001-7000 words (£22.50) | 7001-8000 words (£25) | 8001-9000 words (£27.50) | 9001-10000 words (£30) | 10001-11000 words (£32.50) | 11001-12000 words (£35) |
|-------------|--------------------------|-----------------------|--------------------------|------------------------|----------------------------|-------------------------|
|             |                          |                       |                          |                        |                            |                         |
|             |                          |                       |                          |                        |                            |                         |
|             |                          |                       |                          |                        |                            |                         |
|             |                          |                       |                          |                        |                            |                         |

I have enclosed a sterling cheque/UK Postal Order for £\_\_\_\_\_ payable to *Dark Tales*

Name:

Address:

email:

*(required if you would like your proof edit and/or critique by email)*

Please tell us how your heard about our critique service:
